Dushanbe, 1 April 2015

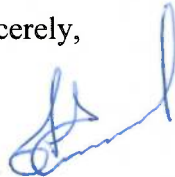

Dear Ms Ülle Tõnurist,

We write to express our gratitude for your support provided in organizing the Train-the-Trainer Course for instructors of National Border Institutes of Tajikistan and Kyrgyzstan conducted at the OSCE Border Management Staff College from 24 March to 1 April 2015.

A great deal of success of this Course belongs to **Ms. Olga Shumailova**, Technologist of Education of Maetaguse School, cooperation with whom has been most pleasant and professional. Ms. Olga Shumailova prepared all reading materials of the Course and conducted training sessions on usage of new technologies and IT means and resources in education process, as well as on methodologies of electronic learning objectives creation. Her unique style of presentation has proven to be very successful and highly assessed by participants.

We would like to thank you and your colleagues once more for your support and co-operation. We look forward to our enhanced cooperation that we believe will contribute to further professional growth of the border security and management instructors from all over the OSCE region.

Yours sincerely,

Alexander Eliseev
